

Cinderford & District Swimming Club

Club swimming records 2011

Well done to everyone who swam to a new Club record in 2011.

Some of the older records to fall went to Billy Harris who took the 100m and 200m backstroke records from 2006 and 2007; Dean Embling took the 50 Fly from 2004; Todd Montague took the 400m freestyle from 2007 and Nia Westlake took the 100m breaststroke record which had stood since 1999.

Some old records to aim for in 2012 are the 400m freestyle for all 11 years and under which have held since 2002; 15 year boys 200 and 400m freestyle held since 2007; and 16 years and over 100m butterfly and IM times – since 2006.

Good luck everyone.

A full list of the Club records (and future competition results) will be in a secure area on our website, go to our website for information on how to access this area.
