

## Cinderford Swimming Club Championships Nov 2015

The annual Swimming Club Championships saw more entrants than ever competing and in true spirit cheering each other on. The races were divided over three days, Monday, Wednesday and Friday and this year for the first time was the event was licensed by the ASA. Everyone was invited to compete and those new to the Club entered with the same eagerness as those who have competed on many occasions.

Parents and helpers gave up their time to make the whole event a success culminating in a packed presentation evening at Oaklands on the Saturday evening with the trophies and medals being sponsored by Forest Press Hydraulics Ltd. The Girls Club Captains for the following year are Becca and Chloe Howard and Morgan Peck is the Boys Club Captain.
